

Welcome to Nisi Restaurant in Midsomer Norton!

Nisi is a Greek and Mediterranean restaurant and follows the principles of the Mediterranean diet. Named the world's top diet several years in a row by US News and World Report and other expert organizations, the Mediterranean Diet is a **heart-healthy, well-balanced way of eating so we try our best to use the healthier possible ingredients when we prepare our dishes.**

Nisi is the Greek word for "island" and we **felt it was a good choice** for the name of our restaurant which is situated at 125 High Street, The Island, in Midsomer Norton BA3 2HN
